

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement ever since the year 1959. Whether the task involves positioning heavy steel, landing loads on scaffolding or transferring loads, using a Lull telehandler would really help make the work go faster and easier. These units are complete together with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could provide eighty inches of boom travel for precision placement capabilities. There are likewise lots of optional Lull attachments for their telehandlers in order to help finish whichever work.
