

Fork Mounted Sweeper

Fork Mounted Sweeper - This particular accessory makes industrial sweeping tasks much easier to finish. The versatile lift truck mounted broom is intended for use with either wet or dry material clean ups. It can push snow and squeegee water with no trouble. This particular attachment is normally used to clean debris from warehouses, construction sites, docks, parking lots and nearly anywhere it is required. The lift truck sweeper is a low maintenance accessory which utilizes quick-tite tie products to easily mount to the forklift.
