

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than sixty years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to giving new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy providing products which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and requirements along with their comprehension of cleaning applications, together with owners' strong desire to dramatically reduce expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly dedicated to having both technical support and parts available when it is needed. Their high service dedication is among the core values in their customer service. Keeping their clients' cleaning machines running and ready day after day is top priority. The company's top of the line technology delivers dependable machinery which eventually lessens your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
